

Phil Edmondstone

phil.edmondstone@ticrail.com.au

Background

Phil Edmondstone brings over 18 years of experience in rail infrastructure, maintenance, and operations. His extensive background covers all facets of civil track infrastructure, with in-depth knowledge of maintenance practices, compliance requirements, certification standards, and safeworking procedures.

Throughout his career, Phil has held numerous leadership and supervisory roles across passenger, freight, and heavy haul networks, demonstrating a strong ability to manage teams and deliver results in demanding environments.

He is deeply passionate about training and developing rail industry personnel, with a clear focus on enhancing skills and raising industry standards across the board.
